Food Safety Pre-Show

To begin:

- 1. Clear off the kitchen surfaces (fridge to metal counter)
- 2. Wipe down all surfaces
- 3. Wash your hands4. Attach plastic wrap to all places the food will be prepared
- 5. Make sure all the dishes and silverware is clean
- 6. Put on disposable gloves for preparation (do not touch food without gloves)

Food Prep Instruction					
Food	Prep Instructions				
Grapes	 Get a vine of grapes (stay away from separate grapes) Take grapes out of the fridge and soak them in vinegar for a few minutes. Strain and rinse in the colander Place in the forest container. Place backstage where the Creature to grab quickly during the transition (Kevin will probably use his hands to get it out of the container) 				
Celery Sticks	 Take celery out of fridge Strain and rinse in the colander Place in the forest container. Place backstage where the Creature to grab quickly during the transition (Kevin will probably use his hands to get it out of the container) 				
Beef Jerky	 Open one stick of beef jerky Place in the forest container Place backstage where the Creature to grab quickly during the transition (Kevin will probably use his hands to get it out of the container) 				
Beef Soup	 Noted: Only use ¼ of a can for each night Open can or container from fridge (If opening can take 3/4 of the soup and place in container and put in fridge for next performance) Place soup in bowl and microwave for 1:30 minutes (make sure to use paper towel) Place in their soup container Around Scene 7 or 8, place soup into prop pot 				
Carrots	 Take package out of freezer and take out carrots Put in microwave for 2 minutes Place in Delacy's dinner container. Around Scene 9 or 10, place carrots on Delacey's plate 				
Potatoes	 Take package out of freezer and take out potatoes Put in microwave for 2 minutes Place in Delacy's dinner container. Around Scene 9 or 10, place potatoes on Delacey's plate 				
Peaches w/ Pomegranate Juice	 Place peaches in peach container and pour pomegranate juice over them (fill container half way) At intermission place peaches into Sack container (strain juice before placing into sack container) Around Scene 29, place the sack container in the Creature's burlap sack 				

Food Safety - During Show

1. Keep food in containers and cover during show right up until its about to go onstage

Food Safety - Post Show

- 1. Clean dish with soap
- 2. Make a fresh batch of vinegar water solution (1/4 vinegar/ 3/4 water)
- 3. Soak each dish in solution for 30 seconds
- 4. Place dishes in (safe location) until next performance
- 5. Check food stock, if low on anything let Annalee know or leave note for Hattie
